Price Determinations

Our pricing is based on the size of each flower, the size of the bouquet or arrangement, the difficulty in designing the flower, and intricacy in painting the flowers. For example, Lillies are listed in the Luxury category as they often need several shades and colors carefully hand painted on. However, if you do not request painting of the Lily then the price will decrease.

Please do not worry if you feel overwhelmed estimating your costs based on “per stem” prices as we strive to find beautiful options to accommodate any budget. Due to the potential adjustments in pricing per order we are happy to provide a free quote if you include the following information when contacting us at perennialposy@gmail.com:

- 1) Your budget range
- 2) A list of the flowers you absolutely must have
- 3) Greenery or other embellishments such as broaches, feathers, etc.
- 4) Your color palette
- 5) Inspirational photos emulating your floral vision
